Drew Family Wines
Pinot Noir “The Fog-Eater” 2015
Mendocino, California

90 Points

2015 Pinot Noir The Fog-Eater is one of the more supple and accessible wines in the range today. Sweet red cherry and rose petal overtones are nicely pushed forward, with soft contours, silky tannins and a lovely sense of translucency, all of which add to the wine's considerable appeal. Bright acids add energy to the finish. (AG)
