2016 Brauneberger Juffer Riesling Kabinett
Mosel, Germany

Mosel Fine Wines #36 – July 2017

91+ points

The Juffer Kabinett (AP13) was harvested at 84° Oechsle. It offers a delicately creamy nose of vineyard peach, melon, grapefruit and fine herbs. The wine is juicy and spicy on the palate and leaves a great refreshingly tart feel in the long and focused finish. This structured Kabinett will need a good decade in the bottle in order to develop its full potential. It could eventually warrant a higher rating as it mellows away and integrates aromatically.
