## Domaine de la Pousse d'Or

2014 Volnay 1er Cru Clos des 60 Ouvrees

Burgundy, France

### Score: 91 Points

This walled vineyard is located within Caillerets, near the border with Meursault; half the vines dating to the 1950s, the balance planted in the 1980s. Skinnier than the 2015 from Bousse d'Or, this is no less powerful in its tannins, so it takes some time for the sunny nature of the red-plum fruit to show through the structure. Tart and severe, this needs six to eight years in bottle to resolve.
