The 2015 Brauneberger Juffer-Sonnenuhr Riesling Spätlese Trocken is very clear, deep, elegant and smoky/complex on the nose, with very fine ripe Riesling and "JSU" flavors. Fruit-intense, very mineral and finessed, this is a very complex and lingering salty dry Riesling with very good grip and a powerful, very persistent finish. The 2015 should be aged for 10 years but will go for up to 20. (SR)
