

## **Herdade do Rocim**

Alicante Bouschet 2013

Alentejo, Portugal

February, 2016

---

### **Score: 89 points**

The red juiced Alicante Bouschet has produced a powerful and generous wine that's rich and full of southern sun as well as dark black fruits. It is concentrated and impressive with its ripe flavors. Foot-trodden in open fermenters, it is full and generous needing to age until 2017. – RV
