

Domaine Paul Thomas

Silex 2014

Sancerre, France

May, 2016

Score: 90 points

This wine comes from one parcel that has particularly flinty soil. With a strongly mineral character, it is tight and nervy, needing some time to calm down. The fruit is all there, fresh citrus, apples and green plums, all ready to burst out over the next few months. Drink from 2017. – RV
