The 2012 Chablis 1er Cru Mont de Milieu comes from 30-years old vines cultivated *lutte raisonnee* located in the middle of the vineyard. The minerality comes through superbly on the nose with cold stone/granite aromas billowing forth. The palate is well-balanced with crisp citrus fruit. a little compact on the finish, but a year in bottle should allow that to unwind. There is a delicious saline aftertaste that compels you to take another sip. **Drink 2016–2022.**
