Drew Family Cellars

2015 Pinot Noir - Fog-Eater

Anderson Valley, California

Score: 90, Outstanding

Here the expressive nose is aromatically similar to the Estate with its subtle menthol character that adds a bit of breadth to the ripe plum, violet, spice and dark cherry aromas. There is a sleek mouth feel to the medium-bodied flavors that also possess good definition and ample punch while delivering solid depth and sneaky good persistence though not quite at the same level as the best here.
