## PROFILE

Owner and producer Madame Chaumeau oversees Chaumeau Balland et Filss from the center of Bué in the heart of Sancerre. A multi-generational Domaine, Chaumeau inherited the property from her family, which extends along the rolling hills of the Bué with vineyards scattered amongst different faces of these hills. The Domaine can attribute a large portion of its success to the Kimmeridgian ridge, a geological feature of limestone and clay soils that contribute to the body and mineral-driven flavor profile of their wines and allow the Domaine to produce a clean, intense, and flavorful product. Thanks to its stringent standards of quality, Chaumeau Balland et Fils is now recognized as one of the best producers in the region.
