### **Rating: 90**

From the higher parcels which are closer to the forest the 8.5% alcohol 2013 Brauneberger Juffer Riesling Kabinett has a pure and cool, slightly flinty bouquet of crushed slate. Medium to full-bodied and very juicy on the palate, this bright, fresh, piquant and racy Riesling reveals a great finesse, elegance and a pure and grippy finish. Very good aging potential.
