### **Hermitage Blanc 2017**

Tasted as a set of components. Attractive expressive fruits in the peach and dried-pear zone. Lemon citrus with savory aromas of spiced biscuits and river stones too. Powerful stone-fruit flavors, building to ripe dark peaches. The texture runs from chalky to pithy and right through to a more compressed stony finish. Super long, complete and focused. White Hermitage is all about texture and this is a lesson in exactly that. Barrel sample. **95-96 points.**

### **Hermitage Rouge 2016**

A wealth of florals with spiced dark chocolate, peppery notes, graphite, dark stones and grilled meats. There's a very concentrated core of red and black fruit on the palate, weighing deep into the middle with super fine yet strong tannins wrapping up the wine. There is also enduring red-fruit freshness emerging into the finish. This is a great Hermitage that will deliver incredible age potential and enjoy an esteemed life in bottle. Barrel sample. **97-98 points.**

### **Saint-Joseph Blanc 2017**

Plenty of honey and peaches with a rich, ripe mouthfeel. The palate delivers immense weight and exceptional textural richness in a seamless shape. Finishes with concentrated peach fruit flavors. Really powerful. Tank sample. **93-94 points.**

### **Saint-Joseph Rouge 2016**

Super floral. Violets, fragrant and fine-ground white peppers, dark plums and black stones, spices and dark chocolate notes too. The palate has finesse, detail, power and impressive balance. There's a plump red-fruited core that is really

muscular. Expansive body building to an astutely balanced and elegant finish. Graphite to close. Brilliant. Barrel Sample. **95-96 points.**
