The 2015 Barolo Cannubi shows the silky softness and ripeness that comes through in this celebrated vineyard cru, especially in the warm vintages. Cannubi is usually one of the first vineyard parcels to ripen in the Barolo township. This is a balanced and elegant wine that focuses on finer aroma details of wild berry, cherry, spice, tar and licorice. Accompany this Barolo with a tasting platter of bresaola, culatello, coppa and mild cheeses. (ML)
