Côtes du Jura 2010

Jura, France

April, 2015

### Score: 91 points

An edgy, racy style, with a traditional whiff of walnut giving way to bitter citrus, dried chamomile and white ginger notes. The finish gains weight with air, with peach and brioche accents blossoming. Shows lots of range. Chardonnay and Savagnin. Drink now through 2020. 1,650 cases made. – JM
