LOCATION

France, Rhône, Northern Rhône, Saint Joseph

COLOR

## Tasting Notes

RATING

92-94

TASTING DATE

3/28/2024

MATURITY

REVIEW

Print

The 2022 Saint Joseph is classic Saint Joseph with its darker currant, plum, and cassis-driven fruits as well as incredible minerality. It's deep, medium to full-bodied, has lots of tannins, the classic austerity of the appellation, and a great finish. It's going to need some bottle age, but you can easily put this up with the crème de la crème of the appellation.
