

2013 Jean Fournier Pur Pot

Domaine Jean Fournier

A Pinot Noir Dry Red Table Wine from
Burgundy, France

The Wine Advocate Issue # 219 – June 2015

Rating: 90–92

The 2013 Pur Pôt comes from 45-year-old vines on hard limestone soils in Clos du Roi and includes 80% whole-bunch fruit. It is very expressive on the nose, more backward than the P'tite Grumotte, with black plum and boysenberry scents, wilted violet petals and limestone (obviously). The palate is medium-bodied with tightly knitted tannin. There is very good depth here with a powerful but unapologetically broody finish. Excellent. **Drink 2016-2030**
