95 Points

Light yellow-gold. Vibrant, mineral-accented citrus and pit fruits, honey and nougat on the intensely perfumed nose, joined by a suave floral nuance. Shows superb depth as well as vivacity, offering sappy orange, pear and nectarine flavors supported a firm spine of smoky minerality. The floral and mineral elements come back strong on the bright, sharply focused, extremely long finish, which leaves a candied lemon zest note behind. – JR
