Fronton "Folle Noire d'Ambat" 2014

South West, France

June, 2016

Score: 87 points

Folle Noire is another name for the Négrette, the signature grape of Fronton. This wine comes from a clay and ironstone vineyard that has produced an intensely perfumed wine. It balances a smooth structure and vivid black fruits. The tannins are light and rounded. It's a wine to drink soon, from 2017. – RV
