

Big Basin Vineyards

Pinot Noir “Alfaro Family Vineyard” 2013

March 2016

Moderate reddish purple color in the glass. The nose elevates over time in the glass, offering a lovely perfume of cherry, cranberry, dried rose petal and dried herbs. A mix of red fruits fills the mouth on entry, showing good richness on the mid palate, and finishing with a sprightly mix of red berries, whole cluster spice and a hint of oak. The texture is very comforting, and a welcome savory thread plays in the background. Well-crafted, with matched tannins. **(91-92 points)**
