2015 Pinot Noir - Estate Field Selections

Mendocino Ridge, California

Score: 92, Outstanding

There is an extremely subtle trace of menthol to the even more elegant and complex nose that features anise, Asian-style tea, violet and a variety of both red and blue fruit scents. The smooth, rich and velvety medium-bodied flavors brim with dry extract that serves to largely buffer the moderately firm and dusty tannic spine shaping the beautifully long finale. This is really lovely stuff that will also need at least some bottle age.
