Titrateable Acidity: 4.6 g/L

2022 Tansy Red Wine Field Blend

California

About

Tansy Wines was born in A16, a local San Francisco restaurant known for bringing southern Italian wines and food to diners. The owner, Shelley Lindgren, met Kitty Oestlien, a business executive and wine lover, and together they created a women owned winery focused on Italian varietals that are grown organically in Northern California. Local female botanical artists are featured on every label, highlighting wildflowers that grow healthily in and around these vineyards.

Inspiration

The Tansy Red Wine Field Blend is inspired by the tradition of vino da tavola (table wine) from Italy. These wines, often a combination of local varietals, are delicious, approachable, and food friendly. They can be served at a table anywhere, at any time, and make everyone happy.

Although the grape composition will vary year to year, the Tansy Field Blend will always be made as a wine with medium plus body, fruit forward palate, elevated aromatics, structure and balance.

Vineyard

Tansy Red Field Blend pulls from vineyards throughout the best Californian appellations that practice organic and sustainable farming.

Varietal Composition

86% Malbec, 5% Grenache, 5% Zinfandel, 4% Ruche

Tasting Notes

An enticing nose of blueberry, blackberry, violet, and lavender. On the palate is a mouthwatering mélange of blue and black fruit flavors and bright red plum backed by black tea tannins that give way to a milk chocolate with almond finish.
