2012 Chablis – Vaudésir

Score: 94

2012 Chablis - Vaudésir: (from a .71 ha parcel; 100% new wood). Here the wood influence is notably more subtle as it permits the moderately exotic, mineral reduction and iodine suffused nose to express itself clearly. The full-bodied and overtly muscular flavors possess impressive size and weight as well as ample amounts of both dry extract and a drying minerality on the explosive, rich and saline-infused finish that exhibits moderate austerity. This is a strikingly scaled Vaudésir that despite its size remains impeccably well-balanced and focused. **94/2024+**
