August 2015

Potek Winery
Syrah “Tierra Alta” 2013
Ballard Canyon, California

90 Points

A dark, voluptuous wine, the 2013 Syrah Tierra Alta captures the richness of this warm site on the rolling hills of Ballard Canyon. Sweet floral and tobacco notes add complexity, but above all else, the Tierra Alta is a wine of succulent, palate presence and textural depth. The 2013 was fermented with 20% whole clusters and spent 20 months in neutral oak with no racking prior to bottling.
