**Maison Samuel Billaud**

**2018 Chablis "Les Fourneaux"**

**Burgundy, France**

**Tasting note:** A notably ripe yet still agreeably fresh nose combines notes of mineral reduction and white orchard fruit with those of acacia and citrus. Yet again there is excellent power and volume to the energetic flavors that, atypically, are actually finer than those of the Vaillons. There is a touch of backend warmth but overall, this tension-filled effort is really quite promising. (89-92 points)
