Drew Family Wines
Pinot Noir Wendling Vineyard 2016
Mendocino, California

90 Points

The 2016 Pinot Noir Wendling Vineyard is one of the more complete wines in this range. Pliant, silky and persistent, the 2016 offers good density and definition, with the sensual allure and raciness that is typical of the best wines from this Anderson Valley vineyard. Hints of dark cherry, plum, spice and new leather add shades of complexity. (AG)
