### **Score: 92-94 Points**

The Saint Joseph from Jean-Louis Chave continues to improve in just about every vintage, and the 2017 Saint Joseph might just be the best yet. This cuvée comes from multiple estate vineyards, and while each has their own character, they all showed beautiful purity of fruit, notable complexity, and ripe, sweet tannins. This will unquestionably be an outstanding Saint Joseph that will have the upfront, sexy charm of the vintage front and center. (JD)
