**2018 Chablis "Montée de Tonnerre"**

**Burgundy, France**

**Tasting note:** A softly citrus-infused nose flashes notes of white flower, mineral reduction, tidal pool and quinine hints. The finer if somewhat less concentrated flavors possess evident minerality and a lovely sense of verve while displaying excellent length and very good depth. This promising effort is a combination of finesse and punch. (90-93 points, Sweet Spot, Outstanding)
