

Domaine du Vent

2016 Chateauneuf du Pape Blanc
Rhône Valley, France

The Wine Advocate #233 – October 2017

Score 88 points

Made entirely in stainless steel, the 2016 Chateauneuf du Pape Blanc is a medium to full-bodied wine that has retained ample freshness. Pear and apple aromas and flavors finish tight and crisp. Either drink it young, or hold it 10 years if you like your whites more developed. (JC)
