

Virna

Barolo 2012

Piedmont, Italy

The Wine Advocate Interim End of January 2017

Score: 89 Points

The 2012 Barolo opens to tones of dusty earth, wild mushroom and autumnal leaf. This is a beautifully earthy and authentic expression of Nebbiolo. The aging process has begun. Fruit tones include raisin, prune and black currant. Given the evolved nature of the bouquet, I would suggest a near or medium-term drinking window. (ML)
