Mosel Fine Wines #40 – April 2018

92 points

This delivers a highly complex and superbly fresh nose of smoke, lead pencil, white peach and gooseberry. The wine is packed with intense yet refined notes of fresh fruits on the mid-palate. However the acidity and the zesty side of fruits quickly come to the forefront in the fresh and intense finish. This is only starting to enter its drinking window and will be a joy to drink over the next two decades.
