Domaine Macle

Château-Chalon 2007

Jura, France

April, 2015

Score: 92 points

Offers Sherry-like hints of dried lemon, salted almond and walnut, with a backdrop of peach, dried nectarine and flan notes adding sweetness for contrast. The nervy, salty spine reasserts itself on the finish. Begs for Comté. Drink now through 2020. 650 cases made.
