2016 Pinot Noir Pence Ranch Mt. Eden Clone
Sta. Rita Hills, California

The Wine Advocate #236 – April 2018

The 2016 Pinot Noir Pence Ranch Mt. Eden Clone from Drake Whitcraft is the deepest and darkest in profile of these Pinot Noirs, revealing lovely notes of crushed cassis, wild plum, currant leaf and forest floor. On the palate, it's medium-bodied, crunchy and vibrant, with a chewy, fine-grained finish and excellent length. Follow this over the next decade. (WK)
