Domaine Jean Macle
Côtes du Jura “Ouille” 2011
Jura, France

Score: 92

Leesy aromas of ripe pear and melon, with hints of ginger, lemon pith and oyster shell. Chewy in texture, offering deep orchard fruit and buttery flavors. First made in this slightly more modern style in 2007, the 2011 version finishes with excellent smoky persistence and a lingering saline quality reminiscent of Manzanilla, but not at all oxidative. – JP
