98 Points

Opaque ruby. An insanely perfumed, highly complex bouquet evokes red/blue fruit liqueur, incense, exotic spices, smoky minerals and pungent flowers. Stains the palate with juicy, youthfully concentrated blueberry, raspberry, spicecake and floral pastille flavors that are given spine by a core of zesty acidity and a peppery element. Clings with superb tenacity on the sweet, blue fruit-dominated finish, which is shaped by velvety, slow-building tannins. (JR)
