Derbyshire Vineyard Pinot Noir 2012

San Luis Obispo County, Central Coast, California

December, 2015

From an extreme-coastal vineyard near Cambria, this shows lots of low-alcohol, low-ripeness qualities on the nose: Kalamata olive, sautéed brown mushrooms, wet asphalt and just the slightest hint of raspberry and cranberry. There is tons of tingly acidity on the palate, along with flavors of tobacco, marjoram, dewy oregano and barely ripe cherry tomato. Drink 2020–2030. – MK
