

## **Herdade do Rocim**

2017 Amphora Red

Alentejo, Portugal

May 2019

---

### **Score: 91 points**

Matured in clay amphorae, the wine is ripe, softly textured and full of juicy red fruits. Fermented using natural yeasts, the wine has a pure, artisanal character that is appealing. The tannins suggest it needs aging, so drink from 2022. (RV)
