**2018 Chablis Montée de Tonnerre 1er Cru**

**91-93 Points**

In 2018, the Chablis Montée de Tonnerre 1er Cru comes across as quite airy and lifted. The tell-tale citrus peel, flora, mint and crushed rock notes are there, but the 2018 is decidedly weightless in feel. I also see a bit less energy than is the norm, but then again, this is 2018 we are talking about. The Montée de Tonnerre is a blend of fruit from two parcels measuring just 0.60 hectares in total.
