

Domaine J.L. Chave

Hermitage 2017

Rhône Valley, France

Score: 97-98 Points

2 Oct, 2019 – Aromas of graphite, tar, dark chocolate and black cherries abound, as well as ripe dark plums. This is a very convincing and complex edition of this wine. The palate is so concentrated and has a super deep, plush and fleshy stream of fresh plums and blackberries, as well as a swathe of fine tannins. Profoundly rich and velvety with a strong backbone. This will age for more than two decades after release.
