

HERDADE DO ROCIM

PROFILE

Located in the Lower Alentejo region in the southern half of Portugal, between Vidigueira and Cuba, lies the estate of Herdade do Rocim. Catarina Vieira, daughter has been coordinating the development of the estate and she believes that Alentejo has the unique conditions required to produce world-class wines. Since purchasing the estate, Caterina invested greatly in the land by completely regenerating the vineyards and building a new state of the art winery. She believes that Rocim has great potential for producing high quality wines with worldwide recognition, and has hopes of expanding the brand under the umbrella of quality for the region. She has created a project that gives value not only to Alentejo, but to Portugal as a whole.
