

Virna

Barolo Cannubi 2018

Piedmont, Italy

Score: 94 Points

Aromas and flavors of dried cherries with some mushrooms and mildly spiced oak. Hints of pressed flowers and bitter orange rind, too. Medium to full body with firm, grainy tannins that carry a little vanilla. Very good quality here, but give it a couple of years, to allow the fruit to push all the way through the finish. Try from 2024.
