Rating: 94

Richter's Best Buy of the vintage, the 2013 Brauneberger Juffer-Sonnenuhr Riesling Spätlese opens very pure, fresh and complex on the nose, which displays predominantly stony/flinty flavors and is remarkably precise. Demandingly mineral and piquant on the palate that totally absorbs the sweetness of 85 grams, also due to 11.4 grams of residual sugar, this is a juicy and zesty wine with a great terroir expression and great aging potential. **Drink 2015-2050**
