## Rating: 91–93

The 2013 P'Tite Grumotte is selected by the best vendangeur on the day before the harvest from only millarandé berries from Les Longerois and Les Ouzeloy. It is 100% destemmed and aged in two new barrels transferred to used barrels after 12 months. It has a very intense bouquet with macerated dark cherries, cases and violet scents that are immensely pure. The palate is medium-bodied with real tension and structure. This is magnificent—very vibrant and pixelated with astonishing precision and mineralité on the finish. Wow. **Drink 2016-2030**
