 Drinking Window: 2023 - 2031

A tasting of the four main parts (Les Challaix, Le Clos, La Dardouille and Bachasson) suggests that this will be a vintage that combines power – black fruits and thick tannins from La Dardouille – and more lifted, fleshy, fragrant, low acid elements from Les Challaix, plus Bachasson's rose and raspberry. A little richer and more velvety than a typical year.
