**O ESTRANGEIRO**  
2023

*Robert Parker*  
WINE ADVOCATE

"The golden-colored 2023 O Estrangeiro Branco is a field blend of old vines aged 40+ years in Nelas in the heart of the Dão region, mostly Cereal, Bical and some Encruzado that matured in third-use 500-liter French oak barrels for 12 months. The year saw big difference in temperature between night and day, especially during ripening and harvesting. The wine is expressive, with notes of yellow fruit and a spicy twist, with hints of orange peel. It's medium-bodied, tender and round, fleshy and tasty, serious with a long, mineral and stony finish. It has potential to develop in bottle. 2,000 bottles produced."
