2018 Chablis Mont de Milieu 1er Cru

Burgundy, France

January 2020

92-94 Points

The 2018 Chablis Mont de Milieu 1er Cru is one of the stand outs in this range. Ample and creamy, the 2018 is so wonderfully inviting, even in the early going. All the elements just come together effortlessly. Orchard fruit, citrus confit, spice, wild flowers and a touch of new oak all grace this super-expressive Chablis. The 2018 was done 80% in tank and 20% in a 450-liter oak barrel.
